Waterloo Case #: 2013-8823

BHCSO #: _____

Bohlen, Randeigh, [REDACTED] RACE: W, SEX: F, SSN: [REDACTED]

The Defendant is accused of the crime of **Child Endangerment**, in that the defendant on or about January 27, 2013, at or about 1645 hours in the City of Waterloo, in Black Hawk County, did

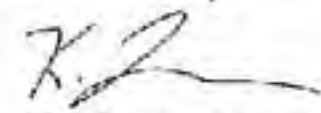

Have custody and control over two minor children and knowingly act in a manner that creates substantial risk to the child's physical, mental or emotional health or safety.

in violation of: 726.6 Code of Iowa

STATE OF IOWA,
COUNTY OF BLACK HAWK, SS.

I, the undersigned, being first duly sworn and under oath, state that the following facts known by me or told to me by other reliable person form the basis for my belief that **Bohlen, Randeigh**, the Defendant committed the crime charged:

On January 27, 2013 at 1645 hours Officers were dispatched to 2833 Redwood Lane reference a neighbor saying his neighbors at 2829 Redwood Lane left their 1-year-old child home alone. The neighbor said the child was in a diaper only and was out in the driveway crying in the freezing rain. While the Officer was enroute the neighbor informed dispatched the child was now back inside. The Officer arrived at the residence and could hear a child screaming and crying. The Officer entered the residence and observed the home to have multiple raw foods lying around the floor, dirty clothing and trash lining the floors, scissors and other sharp objects assessable to the child and an unattended lit candle. The Officer stood around with the child who was later identified as Wesley Richardson DOB: [REDACTED]. The homeowner, identified as the Defendant, arrived and said her and her boyfriend were at the store. When asked if there were anyone else in the home she said her other child E'Lyzabelle Richardson DOB: [REDACTED] was upstairs sleeping on the bed. It was estimated the children were alone at the residence for approximately 20 to 30 minutes. The Defendant was placed under arrest and was eventually transported to the Black Hawk County Jail for booking.
